2015

### Instrument bridge

- 6 instruments with whip arms or hanging hoses \*\*
- Integrated water line and instrument rinsing
- Easy to remove silicone whip arms for autoclave or heat-disinfection
- New enclosure design is durable and easy to keep clean \*\*

#### Cuspidor

- Rotating glass cuspidor with glass fill \*\*
- New compact design with wide access door for easy maintenance \*\*

• Built-in compartment to hold suction system disinfection bottles \*\*

## Suction system

 3+ suction holder with control panel, two-level suction and a third instrument position \*\*

• Selection valves and preparation for wet or dry amalgam system

 2-stage automatic suction disinfection with intensive and quick cycles \*\*

#### Patient chair

- Higher seat travel \*\*
- Ergonomic foot control positioning \*\*
- Easy to use chair position programming
- New upholstery colours available in regular or gel \*\*
- \*\* New with Premium+ Edition

Dental equipment designed and manufactured in Finland
